Your Group Coverage Plan

This Plan is underwritten by the Aetna Life Insurance Company, of Hartford, Connecticut (called Aetna). The benefits and main points of the group contract for persons covered under this Plan are set forth in this Booklet. They are effective only while you are covered under the group contract.

If you become covered, this Booklet will become your Certificate of Coverage. It replaces and supersedes all Certificates issued to you by Aetna under the group contract.

Life Insurance

This Plan will pay as a Life Insurance benefit the amount of Life Insurance in force for you if you die from any cause while insured. You name your beneficiary. You may change your choice at any time.

Accelerated Death Benefit

If, while covered under this Plan for Life Insurance you become terminally ill, you may request that Aetna pay an Accelerated Death Benefit (herein called ADB). Upon Aetna's approval of any such request, Aetna will pay to you the amount of ADB; subject to all of the following terms.

A person is terminally ill if the person:

- suffers from an incurable, progressive, and medically recognized disease or condition; and
- to a reasonable medical probability and based on a generally accepted prognostic protocol, will not survive more than the ADB Months beyond the date of the request for an ADB.

You may request an ADB at any time by completing an Aetna Request For Accelerated Death Benefit Form and submitting it to Aetna. The request must include the statement of a currently licensed United States physician that you are terminally ill.

The physician's statement must include:

- all medical test results;
- laboratory reports; and
- any other information on which the statement is based, including the generally accepted prognostic protocol used by the physician to determine your expected remaining life span.

Your request for an ADB must state the amount of the benefit requested. You may request as an ADB up to the ADB Percentage of the amount of Life Insurance then in force for you; but in no event may the requested amount of ADB be equal to:

- less than the ADB Minimum; or
- more than the ADB Maximum.

You may request an ADB under this Plan only once.

If, by assignment or otherwise, someone other than you is the owner of your Life Insurance Coverage, an ADB will not be available under this Plan for you.

If, during the ADB Months following the date of your request for an ADB, the amount of your Life Insurance would reduce due to the attainment of a specified age or retirement, the ADB amount will be calculated by multiplying the percentage that you have requested by the amount of Life Insurance that would remain in effect after any reduction.

The amount of ADB payable to you will be reduced by an interest charge equal to the sum of daily interest that would have accrued on such amount during ADB Months which begins on the date the ADB is paid.

The interest rate used to calculate the interest charge will not exceed the current yield on 90-day United States Treasury bills on the date the ADB payment is requested.

When your request for an ADB has been approved, the amount of Life Insurance then in force for you will be reduced by the amount of ADB that would have been payable in the absence of any interest charge. If your amount of Life Insurance has been so reduced, you will not be entitled to the Conversion of Life Insurance for the amount of Life Insurance that ceases because of the reduction by the amount of the ADB.

In considering your request for an ADB, Aetna may require you, at Aetna's expense, to submit to an independent medical exam by a physician chosen by Aetna. Aetna may suspend its review of a request for an ADB until the exam has been completed and the results submitted to Aetna.

Aetna may refuse your request for an ADB if:

- prior to Aetna's receipt of approval of the request:
 - the group contract terminates as to your Eligible Class (even though all or part of your Life Insurance Coverage continues for any reason); or
 - the entire amount of your Life Insurance ceases under the group contract for any reason; or
- prior to payment of the ADB, you die.

Upon approval by Aetna, the amount of ADB will be paid to you in a lump sum.

To the extent allowed by law:

- any ADB paid to you is exempt from any legal or equitable process for your debts; and
- you will not be required to request an ADB in order to satisfy claims of creditors.

Effect Of Benefits Under Other Plans

Effect of Prior Coverage - Transferred Business

If the coverage of any person under any part of this Plan replaces any prior coverage of the person, the rules below apply to that part.

"Prior coverage" is any plan of group insurance that has been replaced by coverage under part or all of this Plan; it must have been sponsored by your Employer (i.e., transferred business). The replacement can be complete or in part for the Eligible Class to which you belong. Any such plan is prior coverage if provided by another group contract or any benefit section of this Plan.

A person's Life Insurance under this Plan replaces and supersedes any prior life insurance. It will be in exchange for everything under the prior life insurance. If you or your beneficiary become entitled to claim under the prior life insurance, your Life Insurance under this Plan will be canceled. This will be done as of its effective date. Any premiums paid for your Life Insurance under this Plan will be returned to your Employer.

The mode of settlement you chose and the beneficiary you named under any prior Aetna life insurance plan will apply to this Plan. This can be changed according to the terms of this Plan.

General Information About Your Coverage

Termination of Coverage

Coverage under this Plan terminates at the first to occur of:

- The last day of the pay period in which employment ceases.
- When the group contract terminates as to the coverage.
- When you are no longer in an Eligible Class. (This may apply to all or part of your coverage.)
- When you fail to make any required contribution.

Your Employer will notify Aetna of the date your employment ceases for the purposes of termination of coverage under this Plan. This date will be either the date you cease active work or the day before the next premium due date following the date you cease active work. Your Employer will use the same rule for all employees. If you are not at work on this date due to one of the following, employment may be deemed to continue up to the limits shown below.

If you are not at work due to disease or injury, your employment may be continued until stopped by your Employer, but not beyond 12 months from the start of the absence.

If you are eligible as a permanently and totally disabled employee under the terms of the Eligibility section, your employment may be deemed to continue for Life Insurance while you remain eligible under that section.

If you are not at work due to lay-off or leave of absence, your coverage under this Plan will continue until the last day of the pay period in which the lay-off or leave of absence started.

The Summary of Coverage may show an Eligible Class of retired employees. If you are in that class, your employment may be deemed to continue:

- for any coverage shown in the Retirement Eligibility section; and
- subject to any limits shown in that section.

If no Eligible Class of retired employees is shown, there is no coverage for retired employees.

In figuring when employment will stop for the purposes of termination of any coverage, Aetna will rely upon your Employer to notify Aetna. This can be done by telling Aetna or by stopping premium payments. Your employment may be deemed to continue beyond any limits shown above if Aetna and your Employer so agree in writing.

If you cease active work, ask your Employer if any coverage can be continued.

Conversion of Life Insurance

If any of your Life Insurance ceases because your employment ceases or you are no longer in a class eligible for such insurance, or because of age, pension or retirement, the amount of insurance which ceases (or a lesser amount if desired) may be converted to an individual life insurance policy.

Your converted policy may be any kind of individual policy then customarily being issued by Aetna for the amount being converted and for your age (nearest birthday) on the date it will be issued, except a term policy or one with disability or other supplementary benefits.

When Life Insurance ceases because that part of the group contract discontinues as to your employee class, and insurance on the life of the person has been in force under the group contract for at least 5 years in a row prior to such discontinuance, the amount that ceases less the amount of any group life insurance for which the person becomes eligible within 31 days of discontinuance may be converted to an individual policy. The maximum amount that can be converted by each person in any event is \$ 2,000.

In order to convert, written application must be made for an individual policy and the first premium must be paid on it within 31 days after cessation of insurance for any of the above reasons.

No evidence of insurability will be required.

The individual policy will become effective at the end of the 31 day period during which conversion is possible.

The premiums for the converted policy will be at Aetna's then customary rates for the same policy issued to any other person of the same class of risk and age at the time the converted policy is to become effective.

After an individual policy becomes effective for any person, that policy will be in exchange for all benefits and privileges under the group contract as regards the person involved and the amount that could have been converted.

Life Insurance After Termination

In most cases a person can apply for an individual policy under the Conversion Privilege within 31 days after his or her Life Insurance ceases. If a person dies during this 31 days and before the individual policy goes into effect, the amount payable under the group contract is limited to the maximum that could have been converted. This limit applies even if he or she has not applied for or paid the first premium on the individual policy.

Additional Provisions

The following additional provisions apply to your coverage.

- You cannot receive multiple coverage under this Plan because you are connected with more than one Employer.
- In the event of a misstatement of any fact affecting your coverage under this Plan, the true facts will be used to determine the coverage in force.

This document describes the main features of this Plan. Additional provisions are described elsewhere in the group contract. If you have any questions about the terms of this Plan or about the proper payment of benefits, you may obtain more information from your Employer or, if you prefer, from the Home Office of Aetna.

Your Employer hopes to continue this Plan indefinitely but, as with all group plans, this Plan may be changed or discontinued with respect to all or any class of employees.

Assignments

Life Insurance may be assigned with the consent of Aetna.

Claims of Creditors

If allowed by law, Life Insurance benefits are exempt from legal or equitable process for your debts. This also applies to the debts of your beneficiary.

Beneficiaries

You may name or change your beneficiary by filing written request at your Employer's headquarters or at Aetna's Home Office. Ask your Employer for the forms. The naming or any change will take effect as of the date you execute the request. Aetna will be fully discharged of its duties as to any payment made by it before your request is received at its Home Office.

Any amount payable to a beneficiary will be paid to those you name. Unless you state to the contrary, if more than one beneficiary is named, they will share on equal terms.

If a named beneficiary dies before you, his or her share will be payable in equal shares to any other named beneficiaries who survive you.

If no named beneficiary survives you or if no beneficiary has been named, payment will be made as follows to those who survive you:

- Your spouse, if any.
 - If there is no spouse, in equal shares to your children.
 - If there is no spouse or child, to your parents, equally or to the survivor.
 - If there is no spouse, child or parent, in equal shares to your brothers and sisters.
 - If none of the above survives, to your executors or administrators.
-

Reporting of Claims

A claim must be submitted to Aetna in writing. It must give proof of your death or disability. Your Employer has claim forms. All claims should be reported promptly.

Payment of Benefits

Benefits will be paid as soon as the necessary proof to support the claim is received. For all benefits except any Temporary Disability Benefit, written proof must be provided. Any death benefit for your loss of life will be paid in accordance with the beneficiary designation. Payment will be made in one sum unless you have elected an installment method which has been agreed to by Aetna. If you do not do so prior to your death, your beneficiary has this right before any payment is made. The methods of settlement allowed will be those offered by Aetna under the individual life insurance policies Aetna is issuing when the election is made.

If your beneficiary is a minor or, in Aetna's opinion, legally unable to give a valid release for payment of any Life Insurance benefit, the benefit will be payable to the guardian of the estate of the minor, or to the Custodian under the Uniform Transfer to Minors Act, or an adult caretaker, when permitted under applicable state law.

**Continuation of Coverage
During an Approved Leave of
Absence Granted to Comply
With Federal Law**

This continuation of coverage section applies only for the period of any approved family or medical leave (approved FMLA leave) required by Family and Medical Leave Act of 1993 (FMLA). If your Employer grants you an approved FMLA leave for a period in excess of the period required by FMLA, any continuation of coverage during that excess period will be subject to prior written agreement between Aetna and your Employer.

If your Employer grants you an approved FMLA leave in accordance with FMLA, your Employer may allow you to continue coverage for which you are covered under the group contract on the day before the approved FMLA leave starts.

At the time you request the leave, you must agree to make any contributions required by your Employer to continue coverage. Your Employer must continue to make premium payments.

If any coverage your Employer allows you to continue has reduction rules applicable by reason of age or retirement, the coverage will be subject to such rules while you are on FMLA leave.

Coverage will not be continued beyond the first to occur of:

- The date you are required to make any contribution and you fail to do so.
- The date your Employer determines your approved FMLA leave is terminated.
- The date the coverage involved discontinues as to your eligible class.

If the group contract provides continuation of coverage (for example, upon termination of employment), you may be eligible for such continuation on the date your Employer determines your approved FMLA leave is terminated or the date of the event for which the continuation is available.

If you return to work for your Employer following the date your Employer determines the approved FMLA leave is terminated, your coverage under the group contract will be in force as though you had continued in active employment rather than going on an approved FMLA leave provided you make request for such coverage within 31 days of the date your Employer determines the approved FMLA leave to be terminated. If you do not make such request within 31 days, coverage will again be effective under the group contract only if and when Aetna gives its written consent.

If any coverage being continued terminates because your Employer determines the approved FMLA leave is terminated, any Conversion Privilege will be available on the same terms as though your employment had terminated on the date your Employer determines the approved FMLA leave is terminated.
